“IMPORTANT MESSAGE, PLEASE READ”

Hello, TSAA friends,

The time has come to make a decision about whether to hold our April 6 meeting or not. The board members all agree that it should be cancelled. We have all been asked to limit gatherings to 50 people or less, and I read today where someone is recommending 10 or less.

The Heritage Museum is closed for the rest of this month, and I don't know if it will even be open by April 6.

The safety of all our members is our top priority, so this is the reason the meeting is cancelled. I am so sorry, especially since that would have been my last meeting as President.

I will look forward to seeing many of you in September and October, when your new President Lynn Pierson will be taking over.

I want to thank you all for your attendance and support, and for taking part in the competitions and workshops. I especially want to thank the BOARD MEMBERS, who have been so very supportive and wonderful to work with. I really appreciate all of you and the work you've done to make the last 2 years successful and so very enjoyable.

Have a good summer, please stay well, and I'll see you in the fall.

My best regards to all,
Trish

As We Close Out the Year.....

First, I want to thank everyone who helped with our many varied projects,

Lynn Pierson, Raquel Egosi, Carole Loiacono, and Trish Gregory did a great job with our demonstrations and workshops.
