Correction to TSAA Meeting May 2, 2011

It has been brought to my attention that on May 2, 2011, General meeting that President Heather Risley had looked into Insurance. She explained we are now a Limited Liability Corporation, so we don't have to worry about insurance to cover us anymore, as becoming an LLC protects us from all lawsuits. We have all papers filed, and got our name registered with the State. We are now Tarpon Springs Art Assoc. LLC.

Respectfully, Ann Clark
