On New Business Heather spoke about Leepa Ratner having an Art Mart, on October 13-14, and wants TSAA to be available. There will be "Art in Action" at some time later, as well. The thought that perhaps Carole Loiacano would represent TSAA. Discussion followed.

Heather received letter from Marilyn Martsoff's family about a possible donation in her memory.

Board decided to offer a few ideas: Book of our choosing to be donated to Tarpon Library or monetary Award depending on amount offered. It was suggested Heather write a letter in reply. Her letter is with Board minutes.
