Greetings TSAA Members!

How exciting to come into November on the heels of a dynamite 2021 Paint & Photo event. There was great community support, the weather was perfect, the artists enthusiastic and their resulting artwork really made Tarpon Springs shine. AND, 9 of our own won awards - Woo Hoo!!

Sherry Orr, her committee and several additional volunteers pulled it all together beautifully. Please check further in this newsletter for acknowledgement of all who worked hard to make this so successful, particularly after the Pandemic hiatus. Thank you to Brandon Groc, the Tarpon Springs Cultural Arts Department assistant for his extensive help with setting up at the Cultural Center for the reception and to Dan Jenkins who, once again, plied guests with exceptional food that evening. Photos of the event will be posted soon on our Facebook Page. Kudos to all on a job well done!

Next up is our annual member Winter Show which will be held at the Tarpon Springs Cultural Center, December 1 - 31. Check out details in Sherry's program updates.

Our General Meeting on November 1st will be our last meeting and Zoom get-together for 2021. Don't forget to vote for the November Artist of the Month and then join the meeting to learn who the winning artist is and some of the stories behind the images submitted as they relate to the theme of this Pandemic time. There will not be an AOTM for December, but get prepared for January's theme of Animals & Pets.

Trumpets everyone ===<))) We will finally meet in person January 3, 2022 at the Tarpon Springs Recreation Center! Our onsite meeting time is 1:30. Information about how we handle the Artist of the Month going forward will be forthcoming.

Stay well and keep creating!

Lynn

Tarpon Springs Public Library Resources for Graphic Artists and Photographers. The Library, a venue for TSAA work, also holds a treasure trove for creative people. They lend instructional CDs, DVDs, and books covering everything from oil painting to pastels to acrylics and beyond. Want to explore the life and work of a particular artist or school of art? You'll find everything from cave art to the "Ninth Street Women", who drove the art movements in New York in the 1950s and 60s. If the book, film, or audio recording is not at our branch, the wonderfully helpful library staff will look for it within the Pinellas library system and beyond and will get it for you if possible. They also have a great gently used book and CD store with amazing finds costing almost nothing to buy. Tarpon Springs Public Library, 138 E Lemon Street. *Lynn Kopala*
