Greetings TSAA Members -

January 3, 2022 will find us still meeting by Zoom at 1PM because of the increase in Covid again, to greet the New Year! A notice will be sent by email the day before with instructions to make the connection.

It will be a busy meeting - there may be potential by-law changes to bring forward, after our Zoom board discussion, on Monday December 27 at 1 p.m. Your input will also be important as we consider our meetings going forward, including the format for the Artist of the Month program- should it continue online, in some other way and how frequently. An email will be sent out to you, following the board meeting, with these and other related questions and any by-law change proposals for your consideration.

After the business portion of the meeting, Sherry Orr has created an inspiring Powerpoint presentation about Lee Albion and her art.

Remember that membership renewal occurs by or at the January meeting. It was voted upon last year to increase the dues to \$40. Also, everyone will be asked to fill out a new membership form, not only for any address or phone updates but also to indicate in what capacity you will be volunteering. The TSAA offers considerable programming to our members. To do what we do as successfully and easily as possible requires everyone's involvement in some capacity. As the saying goes, "Many hands create light work!"

The *awesome* list of TSAA Sponsored Programs/Events includes:

Paint & Photo (primary income earner)

LEE ALBION
In Her Memory

Lee Albion, a long-time member of the Tarpon Springs Art Association, has passed away earlier this year inspiring to scores of local artists, she produced a wonderful collection of loose, boldly colored watercolors. Having traveled extensively and living in London for a couple of decades, Lee garnered many prestigious awards from far and near. Her knowledge and willingness to share will be missed by all who knew her.

Her commercial art career included having her drawings in The New Yorker, Gourmet, Saturday Review of Literature, New York Times Book Review and many others. Lee also illustrated numerous children's books.

Her B.S. degree in Art Theory from Harvard-Radcliff College and a M.A. degree from Columbia are just some of her art educational achievements. Lee also studied at the Grand Central School of Art in NYC, the Art Students League of NYC, the Hilton Leech Studio in Sarasota, and art education courses at Rutgers University.

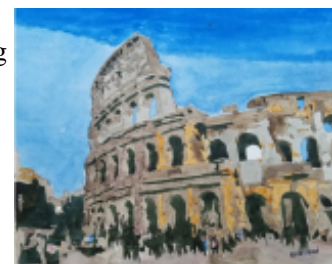

Congratulations to our members:
